

MUGWUMPS 10K RACE
June 18, 2008

The Mugwumps 10K race had its twentieth running this year, the seventh year it was sponsored by Anchorage Running Club. Mugwumps was an out and back course on the Coastal Trail starting at Pt. Woronzof. Runners who have run a 10K in under 45 minutes are ineligible to run the race. Two finishers were disqualified this year from ever running the Mugwumps again! Two adult moose and three calves joined us along the way.
